

We have 23 years of experience as a sending and receiving organisation for Erasmus+ Mobility projects.

Over 2017 and 2018 we received 1095 participants on 69 separate mobilities from approximately 50 EU partners.

We can deliver work experience, employability, CLIL, Study Tours and Vocational Programmes to suit budget and objectives. We receive groups and individuals. We adhere to the European Charter for Mobility and always work within the Quality Commitment for Training Placements.

Our vast experience means we will happily assist you with completion of the necessary documents such as ECVET MOU, ILA, Europass.

“TTPL has always been a great partner to work with. Reliable, highly reactive, and professional. They are also very supportive of our students and are careful of their needs and expectations.”

WEP, France

“As long-term partners of TTPL we are happy with the work placements for our apprentices. It is a good feeling to know that our groups of students are well-cared for.”

BBQ, Germany

“It is always a pleasure to have the opportunity of placing our participants with TTPL because of its team’s great treatment and commitment and its programmes’ high standards. It does not matter how special our costumer’s request is, they always try their best to helping us.”
