Work Placement

We offer the highest quality full-time work placements across all sectors of industry. From administration and tourism, to mechanical engineering and technology, there are not many areas of business that we don't work in.

We match participants to an employer by reviewing language level, experience and education. Career objectives and school requirements are considered and we monitor placements continuously to ensure participants and supervisors are satisfied. A minimum programme of 2 weeks is recommended.

Accommodation

Accommodation is sourced as close to the work place as possible. Living in a homestay is a great way to embrace English culture and improve language skills. We select our host families very carefully and they are regularly inspected by our accommodation team. Full-board or half-board is available.

Families are asked to treat their guests like a member of their family and include them in activities. Participants who prefer more independent living can be offered self-catering in a shared apartment or within a family home. They are responsible for their own laundry, cooking, cleaning and shopping.

Welfare

We provide the opportunity for participants to meet twice a week – usually a Tuesday social evening and a Thursday cultural activity. These meetings are a great chance to make friends, discover more of the area and catch-up with TTPL. Activities could include: boat trip, vintage bus tour, zoo, waterpark and sampling local delicacies such as a traditional Devonshire Cream Tea!

The welfare of every participant is paramount. We have a dedicated Student Support team, 24/7 emergency phone number and we are always ready to assist with problems.

“Great working environment and I've been very well treated since the first day. I've learned so much about what I'm studying.”

Laia, Spain

“My host family has been wonderful with me ... We have had a lot of interaction ... They have welcomed me as if I were a member of their own family.”

Laura, France

“TTPL made a very good impression. I liked the support you offered, including picking us up on our first day, the social evenings and the 24hrs support in case something went wrong. Also, the choice of my host family and my work place was great, I can't find a single thing that could have went better. Thank you!”

Rebekka, Germany
